The term "last schedule workday" means the employee's full day of work.

To be eligible for holiday pay, the employee must work both the day before and the day after the holiday. The exception allows for absences for good cause that are approved by the Superintendent or Mayor. Samples of this exception include the holiday, the Superintendent or Mayor approving for good cause hospitalization the day before or the day after the holiday, and a Superintendent/Mayor approving for good cause an employee calling in sick the day before or the day after a holiday and placing the call at the last minute. In each of these examples, the Superintendent or Mayor shall exercise judgment as to whether the sickness or hospitalization is for "good cause".

**11-6-4**        **BEREAVEMENT PAY.** Each employee will be allowed **three (3) days** off with pay when a death occurs to a member of their immediate family. These members include mother, father, sister, brother, wife, children, or stepchildren, stepfather, stepmother, stepbrother, or stepsister, mother-in-law or father-in-law. Request for parental leave following childbirth shall be made through the Leave of Absence clause, **Section 11-6-7(G), Family and Medical Leave Act.**

**11-6-7**        **LEAVE OF ABSENCE.** No employee on leave of absence may earn vacation, or sick leave, except when the leave was for the purpose of accepting a temporary work assignment in another office.

All types of leave of absence do not earn vacations or sick leave while the employee is on leave of absence.

While the employee is on leave of absence, the length of service still continues to accumulate except for special leave situations under this Section (1) **Special Leave**, and for (7) **Family and Medical Leave Act** situations. Length of service is specifically prohibited from accumulating on Special Leave cases and on Family and Medical Leave Act situations. The prohibition on length of service accumulation is not contained in any other type of leave of absence situation. Therefore, the Code should be construed to allow accumulation of length of services while on leave of absence other than "special leave" and the "Family and Medical Leave Act".

Employee shall be granted an excused leave of absence for the following:

(A)        **Special Leave.** All full-time and salary exempt employees who have completed **one (1) full year** of continuous service may request a special leave. The period for special leave shall not exceed **six (6) months**. An extension may be granted up to a maximum of **six (6) months** for a total of **one (1) year**. In order to continue to receive medical and insurance benefits during a special leave, the employee shall contribute both the employee and the employer's share of IMRF and insurance costs. Length of service or benefits shall not accrue or accumulate during a special leave. A person either hired or promoted to fill the position vacated by the person on leave shall be considered in that position temporarily and shall relinquish it upon the employee's return.

If a special leave is approved by the Village Board, coverage under Illinois Municipal Retirement Fund may be maintained pursuant to IMRF rules and regulations.

(B)        **Military.** Any full-time, salaried exempt, or part-time employee who is a member of a Reserve component of the Armed Services, the Illinois National Guard or the Illinois Naval Militia, shall be allowed annual leave with pay for **fifteen (15) days** and the Village shall pay the difference in salary and any additions or extensions thereof without pay as may be necessary for the employees to fulfill the military reserve obligation. Such leaves will be granted without loss of length of service or other accrued benefits.

In case of an emergency call up (or order to state active duty) by the Governor, the leave shall be granted for the duration of said emergency with pay and without loss of length of service or other accrued benefits.

Military earnings during the military reserve obligation or for the emergency call shall be submitted and assigned to the Village, and the Village shall return it to the payroll fund from which the employee's payroll check was drawn. If military pay exceeds the employee's earning for the period, the Village Board shall return the difference to the employee.

To be eligible for military reserve leave or emergency call up pay, the employee shall provide the Village with a certificate from the commanding officer of the employee's unit that the leave taken was for either such purpose.

Full-time employees entering into military service as a result of voluntary enlistment, induction into the service by draft, or conscription will be afforded all of the privileges provided by the **Illinois Compiled Statutes, Chapter 330, Section 60/1 et seq.**

(C) **Jury Duty.** An employee shall be excused from work for days in which the employee serves on Jury Duty. The employee shall receive his regular pay for jury service. If an employee is given an early release from jury duty, the employee shall then report to his or her regular work assignment.

(D) **Witness.** An employee shall be excused from work when lawfully subpoenaed to serve as a witness. The employee must present written proof of the summons to testify to qualify for an excused absence. Notice to employee's supervisor should be made in advance of appearing in court. An employee's excused absence from work shall be on an unpaid basis, unless the employee's witness activity is work related and the witness activity is requested by the Village. The employee shall turn over to the Village any witness fee when the employee's witness activity is work related. The employee may choose to use a vacation day, if the witness activity is not work-related.

(E) **Village Disability Leave.** To be eligible for Village Disability Leave, the employee must submit to the Village Board a medical opinion that the employee cannot work in his normal job position, and a medical opinion that the employee may possibly be able to return to work within the next **six (6) months**. Employees are not eligible for disability benefits until they have been employed at least **one (1) year**. Employees may be required to use their accrued sick or vacation time to continue regular wages.

Employees shall submit a letter requesting disability leave to their Superintendent within a reasonable amount of time before disability leave is taken. Upon return to work, employees shall submit a release statement from their physician to the Superintendent. If the Superintendent has reason to believe that the employee is unable to perform the normal duties or the employee is able to perform duties and is still absent, they may seek and rely upon the decision of an impartial physician. The Village Board shall select a physician who is not a Village employee to act as an impartial physician.

(F) **Educational Leave.** The Village Board may grant an employee an educational leave of absence for the purpose of engaging in a training course. No educational leave may be granted unless in the judgment of the Village Board the training course would benefit the Village by improving the employee's qualifications to perform the duties of the employee's position or by qualifying the employee for advancement in rank or grade to another position in the Village service. Employee shall receive his regular pay during an education leave of absence for training courses when so authorized by the Village Board.

Employees may request an educational leave without pay to seek further professional training in specialty fields. Such leave may be up to **ten (10) months** in duration and requires the approval of the Village Board. An employee on education leave without pay does not accrue vacation or sick leave credit for the period of leave. When ready to return to work, the employee will be offered the first available full-time position at the same job level the employee held prior to departing on educational leave without pay.

(G) **Family and Medical Leave Act.** An employee is eligible for a leave of absence through the Family and Medical Leave Act of 1993. In order to be eligible for leave, an employee must have worked for the employer at least **twelve (12) months** and must have worked at least **one thousand two hundred fifty (1,250) hours** over the previous **twelve (12) months** prior to the leave. Eligible female and male employees are allowed up to **twelve (12) weeks** of leave per **twelve (12) month period** following the birth of a child, the placement of a child for adoption or foster care, or the serious health condition of the employee or an immediate family member (defined for purposes of this Family and Medical Leave Act situation as including the employee's child, spouse or parent). The leave for birth or placement must take place within **twelve (12) months** of the birth or placement of the child.

The employee's leave shall be unpaid. The employee may, upon approval of the Village Board, use vacation leave. During the leave, the Village shall continue to provide coverage under its group health plan. Following return upon leave, the employee shall be returned to a position with equivalent pay, benefits and other terms and conditions of employment.

In order to utilize leave of absence pursuant to the Family Medical Leave Act, the employee should give **thirty (30) day** notice.

For leave based upon serious health conditions, the employer may require certification from the employee's health care provider for leave. Employer reserves the right to require a second medical opinion at the employee's own expense.

(H) **Expiration of Leave.** When an employee returns from a leave of **six (6) months** or less, the Superintendent shall return the employee to the same or similar position in the same class in which the employee was incumbent prior to commencement of such leave.

An employee's same or similar position will not be protected for reductions in force or where the position has been eliminated. Employees are subject to termination if they are absent from work for more than **six (6) months**. No employee may be absent without permission of the supervisor to which assigned. In the absence of extenuating circumstances, an employee who is absent from work for any reason and fails to notify his or her supervisor within **two (2) working days** will be considered to have resigned.

No employee on leave of absence may earn vacation, or sick leave, except when the leave was for the purpose of accepting a temporary working assignment in another office.

All employees shall be reimbursed for mileage expenses incurred while attending assigned schools outside the County. Upon receipt of a notice to attend the training school, the employee will request the use of a departmental vehicle to transport those attending to and from school. If a departmental vehicle is not available, reimbursement shall be made for the employee's use of their personal vehicle. When **two (2)** or more persons attend the same school at the same time the Superintendent may require that only **one (1) person** will be eligible to receive reimbursement for travel. The rate of reimbursement shall be established by the Village Board.

**12-7-4**        **DEATH BENEFITS.** Each employee shall fill out a designation of beneficiary form. Upon the death of an employee, the designated beneficiary shall be entitled to receive from the appropriation for personal services theretofore available for payment of the employee's compensation, such sums for any accrued vacation period to which the employee

was entitled to at the time of death. Such payment shall be computed by multiplying the employee's daily rate of pay by the number of days of accrued vacation at the time of death.

Upon the death of an employee, the estate shall receive any unpaid compensation, accrued overtime, or other benefits the employee would have been allowed had the employee survived.

Family members of deceased employees should contact the Village Clerk's Office for explanation of any further benefits the family members or the estate of the deceased employee may be entitled to.

**11-7-5 TRAVEL.** Staff vehicles are to be used only for activities directly related to the conduct of business. Under no circumstances are the vehicles to be used for personal activities. Reimbursement is provided for the use of employee's private vehicles for official business at the rate designated by the State of Illinois for actual mileage traveled. Private vehicles will only be used when Department vehicles are not available and prior approval is given by the Mayor. Use of staff vehicles are restricted to employees who have a valid drivers' license with current liability insurance. Employees are not permitted to use Village vehicles without the knowledge of their supervisor or Superintendent. All employees using staff or private vehicles must record mileage on the expense log along with the destination and purpose of the trip. The log is to be returned with the vehicle's keys. Expense claims for private vehicle usage will be honored only if the listed trip is initialed by the immediate supervisor. Any malfunctions or damages must be reported to the immediate supervisor. Travel in any vehicle will always be by the most direct route unless otherwise approved by the Mayor or Superintendent.

If the most economical means of travel available is by some type of transportation other than an automobile, the mode selected shall be approved by the employee's supervisor and Elected Official before departure. Travel by either airplane or train shall be by coach class.

Reimbursements for first class accommodations may be permitted only when coach class is not available.

Employees who take staff vehicles home are not considered on official business during the commute unless they must regularly perform duties during that commute.

**11-7-6 PAY RATES.** The pay rates for the Village employees shall be as follows:  
(A) Each Village employee may be paid at a different pay rate because of being hired at different times and at negotiated pay rates.

(B) All employees shall work an **eight (8) hour** day, a **forty (40) hour** week. They shall be paid on a bi-weekly schedule, with payday being every other Friday. If payday falls on a holiday, they shall be paid on the day before.

(C) If an employee works less than **forty (40) hours**, it shall be reflected in his/her paycheck.

(D) If an employee takes time off during regular work hours, he/she shall not be allowed to make up lost time without prior approval by Superintendent.

(C) Employee who is responsible for checking water plant on weekends and holidays shall receive **one (1) hour** overtime for each plant for each day (total of **two (2) hours**) providing he/she has worked a **forty (40) hour** week.

(D) In order for an employee to receive overtime pay for weekend work, he/she shall have worked at least **forty (40) hours** during previous week.

(E) Overtime pay is based on **one and one-half (1 ½) times** regular pay.

(F) Holiday pay shall be straight time. If holiday is worked, pay is **one and one-half (1 ½) times** in addition.

(G) Employees, at their option, may elect to receive, in lieu of overtime pay, compensatory time equal to **one and one-half (1 ½) times** all overtime hours worked, until the employee has accumulated **forty (40) hours** of compensatory time. If an employee accumulates **forty (40) hours** of compensatory time, any additional overtime hours worked shall be paid. Should an employee utilize compensatory time, he or she shall then have the option to accumulate back up to the **forty (40) hour** cap. There shall be no expiration date on any accumulated compensation time thus allowing the time to be carried over into a new calendar year. Compensatory time may be scheduled in **four (4) hour** increments and only with prior approval of the Trustee/Mayor. Provided, however, the Trustee/Mayor or designee may approve the use of compensatory time in lesser increments. **(Ord. No. 23-01; 02-13-23)**

An employee is obligated to cooperate with the Village and any of the Village's legal representatives regarding the accident and any citations that may have been issued.

**11-8-2      APPEARANCE.** Neatness and good taste in dress, as well as care toward personal hygiene, are expected of all employees. For safety and hygienic purposes, employees may be required to comply with any appropriate dress code that is set forth by the Superintendent or Village Board during the performance of their duties.

Employees may be requested to change inappropriate dress, and work lost while doing so will not be compensated by the department. Employees may be evaluated on their dress and appearance. The Superintendent is the only individual of each department who may make exceptions to the dress code.

**11-8-3      USE OF DEPARTMENT PROPERTY.** All department property and equipment entrusted to any employee shall be used in accordance with the property's prescribed function. All damage through recklessness, gross negligence, intentional act, deliberate misuse, or theft shall be replaced and paid for by the employee committing the violation. Such replacement of property by the employee shall not be considered the exclusive remedy against the employee, and the employee may still be subject to discipline. All department property, personal lockers, and personal offices are subject to search and seizure. All department property shall be inspected by the employee's immediate supervisor prior to issuance of the property.

No department property shall be used for private or unauthorized purposes. All employees are required to return all department property or equipment in their possession upon separation, promotion, and/or transfer.

Identify yourself by name and section, be friendly and helpful. Write time and date of any message from the caller, transfer calls tactfully, give accurate information, do not keep the caller waiting and hang up carefully.

All personal telephone usage, including cellular telephones, whether incoming or outgoing, shall be kept to a minimum. Employees shall be charged and accountable for such usage. Employees shall also be responsible for the care of the cellular units to avoid misplacement and theft. All pagers assigned to the employees shall remain "on" during working hours. **(See Division II for computer policy.)**

Employees shall keep incoming and outgoing personal calls to a minimum.

**11-8-5      CORRESPONDENCE AND COMMUNICATIONS.** No employee shall use their official position, engage in official transactions or business to harass any individual or to secure a benefit for himself or other individuals. **11-8-7**            **SPEECH AND DISSEMINATION OF INFORMATION.** Employees are encouraged to appear before civic organizations, fraternal organizations or any other group in an official capacity. Employees shall notify the Superintendent prior to accepting such speaking engagements.

Employees are cautioned against making statements or giving impressions regarding official agency policy or position without prior expressed authority being granted. Normally, the Village Board has the sole right to adopt and interpret the policies of the organization. If in doubt, it is always preferable to consult the Superintendent before making any statements that might possibly be misinterpreted or misconstrued by the general public or press.

The Superintendent shall make all news releases concerning the department.

The Village shall comply with the **Illinois Freedom of Information Act**, and employees are allowed to disseminate information pursuant to the Act. However, employees are not allowed to disclose any information that is exempted by **Illinois Freedom of Information Act** or prevented from disclosure by any other state statutes. Employees who receive Freedom of Information Act requests shall notify the Mayor, who may consult with the Village Attorney to ensure timely compliance.

**11-8-8**            **RELATIONS WITH CREDITORS.** The Village shall charge employees any authorized costs when making wage deduction pursuant to court order or State or Federal statutes.

**11-8-9**            **POSSESSION OF FIRE ARMS.** Unless authorized by the Chief of Police, and unless authorized by the appropriate Superintendent, no employee of any department has legal authority to carry weapons while in the performance of their official duties.

**11-8-10**          **ETHICS.** Employees shall not recommend or promote the sale of any specific brand name product or equipment.

Many employees in the course of their work have access to medical information about patients, clients, employees, or other individuals. This may be medical, legal or job-related information. Such information is not to be repeated or discussed outside the department or with other personnel unless such information is a necessary part of the employee's assigned duty.

Employees shall inform the Superintendent or Mayor of any possible conflict of interest situations they may have.

Employees are prohibited from accepting gifts, gratuities, or any item of value for work performed on behalf of the Village. (See Section 22-6-1 et seq.)

**11-8-11**          **OTHER EMPLOYMENT.** An employee may not be paid by another employer for the same **forty (40) hour** period employee is being paid by the department. If a full-time employee performs outside services or employment, such services or employment shall be reported to the Superintendent for prior approval, and advance notification shall be given by the employee to the Village Clerk.

Employees who are injured while engaging in other employment shall notify the Superintendent and the Village Clerk.

**11-8-12**          **PHYSICAL EXAMINATIONS.** Each applicant for employment may be required to successfully complete a post-offer physical examination by a doctor of the employer's choice, including a drug screen upon the request of the Village. At any time, employees may be required to submit to a physical examination. As a condition of their

employment, the employees of the department shall authorize the release of medical testing information including drug screens to the Village for departmental use only.

Each employee authorized to carry and use a gun while at work for the Village, and all employees engaging in heavy manual labor as their principal form of job activity for the Village may be required to submit to an annual physical exam and/or drug screens by a doctor of the employer's choice.

Drug screens can be conducted on a random basis for any security personnel employed by the Village, except those under police personnel contract, for any employee authorized to carry and use a gun while performing work related activities for the Village and for any employee that is required to hold other than a Class A driver's license for work related purposes. For all other employees, drug screens shall be conducted upon probable cause.

The term "drug screens", as used throughout and disclose to the Superintendent, any drug or alcohol problem that the employee may currently have.

**11-8-13      REIMBURSEMENT OF COST OF TRAINING.** If an employee leaves the department's employment before the completion of **three (3) years** from the initial date of employment, that employee will be liable for all costs incurred in the employee's selection, background investigation, equipment issue and training, prorated over a **three (3) year** period. Incurred training costs will be deducted from any remaining paychecks.

**11-8-14      PRESCRIPTION DRUG USE.** Any employee who is taking prescription or over-the-counter drugs or medication which may impact on abilities to perform work shall report the use of the drugs or medications to the immediate supervisor, along with the name and address of any medical doctors prescribing the medication.

**11-8-15      DRUG FREE WORKPLACE.** All employees, as a condition of employment, will comply with the Village's Drug Free Workplace Policy, attached to this Code as **Appendix A.**

**11-8-16 - 11-8-19      RESERVED.**

## **DIVISION II – COMPUTER USAGE POLICY**

**11-8-20      COMPUTER USAGE PROCEDURE.** Routinely all personnel will have access to a computer. The following procedures must be adhered to:

(A) All employees will only use the "Log-in ID", "User ID" and "Passwords" assigned to them, i.e., use of a supervisor "User ID" and "Passwords" by a line officer is prohibited unless authorized by the Administration. Use is a privilege, not a right, which may be suspended or terminated by Mayor when, in his/her judgment, this policy has been violated by the user.

No employee is authorized to share their "password" with anyone except the Supervisor assigned to overlook all passwords in the department.

(B) It is not permissible to use village computers and equipment in any inappropriate manner, such as to disgrace the department or a fellow employee. It is forbidden to use profanity or vulgar language on any department computer equipment.

(C) Only removable storage media which are requisitioned from the storerooms and the data processing department are authorized to be used in department computers. No outside removable storage media will be authorized to be used except with permission from Administration.

(D) No employee shall be allowed to do personal work at his or her village computer. This is with or without the use of any removable storage media.

(E) No employee shall be allowed to copy any village or department document to a removable storage media and use it outside the office without permission from Administration.

(F) No employee shall be allowed to have any unauthorized programs, utilities, games or files on their village PC.

(G) Any variance from the above procedures shall have prior Administration permission.

Information and data maintained in the electronic media on village computer system are protected by the same laws and policies, and are subject to the same limitations, as information and communications in other media. Said information and data are the property of the Village.

Before storing or sending confidential or personal information, users should understand that most materials on Village system are, by definition, public records. As such, they are subject to laws and policies that may compel the Village to disclose them. The privacy of the materials kept in electronic data storage and electronic mail is neither a right nor is it guaranteed.

11-8-21 - 11-8-24 **RESERVED.**

### DIVISION III – ELECTRONIC COMMUNICATIONS

**11-8-25 POLICY; INTRODUCTION/PURPOSE.** This policy is intended to serve as a guide on the proper use of the municipal electronic communication systems. This policy covers the use of all forms of electronic communications, including but not limited to e-mail, voice mail, fax machines, external bulletin boards, Intranet and the Internet, and applies to all Users. Users are expected to read, understand and follow the provisions of this policy and will be held responsible for knowing its contents. Use of the electronic communication system constitutes acceptance of this policy and its requirements.

The Village provides electronic mail (e-mail) and/or Internet access to Elected Officials and Staff who need it to perform the functions of their position. The purpose of this document is to communicate to all Personnel their responsibility for acceptable use of the Internet and e-mail (whether sent over the Internet or over the Village's own network). Policies and procedures are also outlined for the disclosure and monitoring of the contents of e-mail messages stored in the system when required.

The Village's objectives for Employees to use e-mail and/or the Internet include:

(A) exchanging information more efficiently than by telephone or written memorandum;

(B) gathering information and performing research for departments; and

(C) reducing the handling of paper copy.

**11-8-26 POLICY DEFINITIONS.** As used in this Policy, the terms listed below shall be defined as follows:

(A) **Electronic Mail (E-Mail).** Electronic mail may include non-interactive communication of text, data, image, or voice messages between a sender and designated recipient(s) by systems utilizing telecommunications links. It may also include correspondence transmitted and stored electronically using software facilities called "mail", "facsimile", "messaging" systems or voice messages transmitted and stored for later retrieval from a computer system.

(B) **Encryption Software.** Proprietary software that changes information from its native state to an unrecognizable coded state that can only be returned to its native state with special software.

(C) **Internet.** A worldwide network of networks, connecting informational networks communicating through a common communications language or "Protocol".

(D) **Intranet.** An in-house web site that serves the users of the Village. Although Intranet pages may link to the Internet, an Intranet is not a site accessed by the general public.

(E) **World Wide Web.** An Internet client-server distributed information and retrieval system based upon hypertext transfer protocol (http) that transfers hypertext documents that can contain text, graphics, audio, video, and other multimedia file types across a varied array of computer systems.

(F) **Users.** Elected Officials, Department Heads, Employees, Volunteers, Contractors and Consultants.

(G) **Firewall.** An electronic device used to protect private networks from unauthorized access from users on the Internet.

**11-8-27 OWNERSHIP.** The electronic communication system is the property of the Village. All computer equipment, computer hardware and computer software provided by the Village are the property of the Village. All communications and information transmitted by, received from, or stored in these systems are the property of the Village.

**11-8-28 USE OF ELECTRONIC COMMUNICATIONS.** The Village's electronic communications systems, including e-mail and the Internet, are intended for Village business use only. Personal uses of the Internet and e-mail systems are prohibited. The Village reserves the right to use filtering software to block access to Internet sites that are considered inappropriate or non-productive. The filtered sites shall be reviewed and approved by the Mayor.

Before using these systems, all users shall understand that any information that is created, sent, received, accessed or stored in these systems shall be the property of the Village and shall not be private. If a User is permitted to use electronic communication systems, such use shall not violate any section of this policy or interfere with User's work performance.

Users shall use the same care and discretion when writing e-mail and other electronic communications as they would with any formal written communication. Any messages or information sent by Users to other individuals via electronic communication systems, such as the Internet or e-mail, are statements identifiable and attributable to the Village. Consequently, all electronic communications sent by Users shall be professional and comply with this policy.

**11-8-29 PROHIBITED COMMUNICATIONS.** Under no circumstances may any User operate the Village's electronic communications systems for creating, possessing, uploading, downloading, accessing, transmitting or distributing material that is illegal, sexually explicit, discriminatory, defamatory or interferes with the productivity of coworkers. Specifically prohibited communications include, but are not limited to, communications that promote or transact the following: illegal activities; outside business interests; malicious use; personal activities (including chat rooms); jokes; political causes; football pools or other sorts of gambling; recreational games; the creation or distribution of chain letters; list servers for non-work purposes; "spams" (mailing to a large number of people that contain unwanted solicitations or information); sexual or any other form of harassment; discrimination on the basis of race, creed, color, gender, religion or disability; or for solicitations or advertisements for non-work purposes. Users may not engage in any use that violates copyright or trademark laws.

Also prohibited is any activity that could negatively impact public trust and confidence in the Village or create the appearance of impropriety.

Users are also prohibited from posting information, opinions or comments to Internet discussion groups (for example: news groups, chat, list servers or electronic bulletin boards). Under no circumstances may any User represent their own views as those of the Village.

Users may not disclose confidential or sensitive information. Personal information such as the home addresses, phone numbers, and social security numbers of Elected Officials or Employees should never be disclosed on the Internet.

**11-8-30**      **NO PRESUMPTION OF POLICY.** Although Users may use passwords to access some electronic communication systems, these communications should not be considered private. Users should *always assume* that any communications, whether business-related or personal, created, sent, received or stored on the Village's electronic communication systems may be read or heard by someone other than the intended recipient.

Users should also recognize that e-mail messages deleted from the system may still be retrieved from the computer's back-up system when requested by authorized personnel. Consequently, messages that were previously deleted may be recreated, printed out, or forwarded to someone else without the User's knowledge.

**11-8-31**      **VILLAGE'S RIGHT TO MONITOR USE.** Under authorization of the Mayor, the Village may monitor, intercept, access, and disclose all information created, sent, received, or stored on its electronic communication systems at any time, with or without notice to the User. The contents of computers, voice mail, e-mail and other electronic communications will be inspected when there are allegations that there have been breaches of confidentiality, security, or violations of this Electronic Communications Policy. These inspections will also be conducted when it is necessary to locate substantive information that is not readily available by less intrusive means. Before providing access to store electronic communications such as e-mail messages, written authorization will be required from the Mayor.

The contents of the computers, voice mail, e-mail and other electronic communications may be turned over to the appropriate authority when there are allegations that there have been violations of law.

In addition, the Village will regularly monitor and maintain a log of the User's Internet access, including the type of sites accessed, the name of the server, and the time of day that access occurs. The Mayor will have access to this log upon request. They may use this information that was obtained through monitoring as a basis for employee discipline.

The Mayor may authorize individuals for investigative purposes to engage in activities otherwise prohibited by this policy.

**11-8-32**      **PROHIBITED ACTIVITIES.** Users shall not download software programs of any kind. No software is to be installed on Village computers without the approval of the Director of Data Processing. Users may not upload, download, or otherwise transmit copyrighted, trademarked, or patented material; trade secrets; or confidential, private or proprietary information or materials. Users may not use the Village's electronic communication systems to gain unauthorized access to remote computers or other systems or to damage, alter, or disrupt such computers or systems in any way, nor may Users use someone else's code or password or disclose anyone's code or password including their own. It is a violation of this policy for Users to intentionally intercept, eavesdrop, record or alter another person's Internet and e-mail messages. Users may not allow unauthorized individuals to have access to or use the Village's electronic communication systems, or otherwise permit any use that would jeopardize the security of the Village's electronic communication systems. Also, Users may not post an unauthorized home page or similar web site.

Users may not make unauthorized commitments or promises that might be perceived as binding the Village. Users must use their real names when sending e-mail messages or other electronic communications and may not misrepresent, obscure or in any way attempt to subvert the information necessary to identify the actual person responsible for the electronic communication. Sending an e-mail message under a fictitious or false name is a violation of this policy. Likewise, using another User's account or login ID constitutes a violation of this policy.

**11-8-33**      **PASSWORDS.** Each User will maintain a unique password. Users must keep their passwords confidential and must never leave their computers unattended when logged into the system. Passwords shall be changed whenever a password may have been compromised or revealed or when the computer security system requests a new password.

Directories of User e-mail addresses may not be made available for public access. No visitors, contractors or temporary employees may use the Village's e-mail without prior written authorization from the Mayor.

**11-8-34**      **INTERNET USAGE.** Access to the Internet from any PC connected to the Village's network is only allowed in accordance with this policy. Alternate methods of Internet access, such as using a modem to access a personal dial-up Internet account is prohibited as it may compromise the Village's network security exposing it to potential harm from computer hackers.

Sessions on the Internet are logged automatically in exactly the same way that phone numbers are logged in the phone system. Do not use the Internet for tasks that you would not want to be logged.

Web browsers leave "footprints" providing a trail of all site visits. Do not visit any site where you would be reluctant to leave your name and work locations.

Use appropriate judgment before filling out a form included in a Web page. The form shall pass through many interconnecting computers and networks before reaching its destination. Other individuals will be able to eavesdrop on it. Personal or valuable information on the form may not remain confidential. Under no circumstances should you ever put a Social Security number on the Internet.

An Internet message sent from the Village's address constitutes a Village communication; therefore, it should be composed and structured correctly. Whenever possible, spell check messages prior to transmission, especially when sending to a non-Village address.

Sending e-mail from the Village's address can be likened to sending a letter on Village letterhead. Messages may be forwarded by the recipient to others, printed in a location where others may view the message, and/or directed to the wrong recipient. Also, computer forensic experts can often retrieve e-mail previously deleted. An ill-considered remark can return to haunt the sender later.

Be courteous and follow generally accepted standards of etiquette. Protect others' privacy and confidentiality. Consider the Village's needs before sending, filing, or destroying e-mail messages. Remove personal messages, temporary records and duplicate copies in a timely manner.

**11-8-35**      **RECORDS RETAINED.** Certain significant types of e-mail messages or their attached files may be considered records and should be retained if required by the Village's record-retention policies. Examples of messages sent by e-mail that may constitute records include:

- (A) policies and directives;
- (B) correspondence or memoranda related to official business;
- (C) work schedules and assignments;
- (D) agendas and minutes of meetings;
- (E) drafts of documents that are circulated for comment or approval;
- (F) any document that initiates, authorizes, or completes a business transaction; and
- (G) final reports or recommendations.

**11-8-36**      **RECORDS DISPOSAL.** The content and maintenance of a User's electronic mailbox are the User's responsibility. The content and maintenance of a User's disk storage area are the User's responsibility. Each User should review his/her electronic records for deletion every **thirty (30) days**.

Messages of transitory or little value that are not normally retained in record-keeping systems should be regularly deleted. Informational messages, such as meeting notices, reminders, informal notes, and telephone messages should be deleted once the administrative purpose is served. If it is necessary to retain any e-mail message for an extended period, transfer it from the e-mail system to an appropriate electronic or other filing system. With the

approval of the Mayor, the Director of Data Processing or one of his/her staff members designated by him/her is permitted to remove any information retained in an e-mail system for more than **thirty (30) days**.

**11-8-37      ACCESSING USER E-MAIL DURING ABSENCE.** During a User's absence, the Mayor may authorize the Data Processing Director to access the User's e-mail messages and electronic Internet records without the consent of the User when necessary to carry out normal business functions.

**11-8-38      FIREWALLS AND NETWORK PROTECTION.** Firewalls and other devices to ensure the safety of the Village private network will be installed to protect all Village Electronic Communication Systems. Local governments are often targets of hackers and unauthorized intrusions because of the unique types of information stored on their systems. For this reason, the Village takes a *very cautious* approach to security regarding the Internet and e-mail. Policies to ensure the security of the system include but are not limited to: blocking access to certain Internet sites; filtering out potentially threatening e-mail attachments; filtering out dangerous types of web pages including Java Script, and ActiveX programs. Other methods of security may be deployed as new threats are discovered.

Any attempts to bypass or disable the security features installed by the Village will be in violation of this policy and may result in disciplinary action.

**11-8-39      PASSWORD PROTECTION.** Users should use caution when using encryption software or password protecting their files. Password protected files cannot be retrieved without the necessary password. The Village is not responsible for any lost, damaged or inaccessible files that result from password protection.

**11-8-40      VIRUSES AND TAMPERING.** Any files downloaded from the Internet must be scanned with virus detection software before installation and execution. All computers designated as having access to the Internet and e-mail must have virus detection software installed on them. Users may not deliberately disable the virus protection capabilities of these systems. The intentional introduction of viruses attempts to breach system security, or other malicious tampering with any of the Village's electronic communication systems is expressly prohibited. Users must immediately report any viruses, tampering or other system breaches to the Data Processing Director.

Many viruses are transmitted through the e-mail system as attachments. Caution should be practiced prior to the accessing of any attachments to e-mail messages. Never access any unexpected attachments without verifying the source and reason for it, even if you recognize the sender of the e-mail. It is common practice for hackers to alter the source of an e-mail in an attempt to spread a virus.

**11-8-41      DISCLAIMER OF LIABILITY FOR USE OF THE INTERNET.** The Village is not responsible for material viewed or downloaded by Users from the Internet. The Internet provides access to a significant amount of information, some of which contains offensive, sexually explicit and inappropriate material. It is difficult to avoid contact with this material; therefore, users of the Internet do so at their own risk.

**11-8-42      DUTY NOT TO WASTE ELECTRONIC COMMUNICATIONS RESOURCES.** Users must not deliberately perform actions that waste electronic communication resources or unfairly monopolize resources to the exclusion of other Users. This includes, but is not limited to, subscribing to list servers, mailing lists or web sites not directly related to the User's job

responsibilities; spending nonproductive time on the Internet; and doing large non-work-related file downloads or mass mailings. Electronic communication resources are limited, and Users have a duty to conserve these resources.

**11-8-43**        **E-MAIL ADDRESSES.** The Village reserves the right to keep a User's e-mail address active for a reasonable period of time following the User's departure to ensure that important business communications reach their respective department.

**11-8-44**        **FREEDOM OF INFORMATION ACT REQUESTS.** The Village will not accept Freedom of Information Act (F.O.I.A.) requests from the public via the Internet. If a citizen e-mails a F.O.I.A. request to a User, the employee should notify the citizen that these requests must be made in writing and addressed to the attention of the Mayor. **(See Section 22-3-1 et seq.)**

**11-8-45**        **USE OF CREDIT CARDS ON THE INTERNET.** Before making purchases on the Internet, Users who are authorized to use Village credit cards must ensure that they are using a secured site. The Village recommends that Users do not use their credit cards over the Internet and expressly disclaims responsibility for any loss or damages that results from credit card usage over the Internet.

**11-8-46**        **VIOLATIONS.** Violations of this policy may subject employees to disciplinary action ranging from the removal of electronic communication privileges to dismissal from employment. Village employees who observe violations of this policy are obligated to report the violations to their Elected Official.

**11-8-47**        **POLICY CHANGES.** The Village reserves the right to change this policy at any time without notice. Nothing in this policy is intended or should be construed as an agreement and/or a contract expressed or implied. Policy changes will be disseminated electronically or in written form within **forty-eight (48) hours** of taking effect.

**ARTICLE IX - SEXUAL MISCONDUCT POLICY**

**11-9-1 SEXUAL MISCONDUCT POLICY STATEMENT.** The Village will not tolerate and will seek to eradicate any behavior by its employees, volunteers or students which constitutes sexual misconduct toward another employee, volunteer or student. “Sexual misconduct” means any actual, attempted or alleged sexual molestation, assault, abuse, sexual exploitation or sexual injury. “Sexual misconduct” does not include “sexual harassment”.

**11-9-2 REPORTING PROCEDURES AND DESIGNATED SEXUAL ABUSE COORDINATOR.** It is the express policy of the Village to encourage victims of sexual misconduct, and their parents or guardians in the case of minors, to come forward with such claims. The Village shall designate a Sexual Abuse Coordinator, who hereinafter shall be referred to as “Coordinator”, who shall remain accountable for the implementation and monitoring of this policy. The identity of the Sexual Abuse Coordinator shall remain on file with the Village. In order to conduct an immediate investigation, any incident of sexual misconduct shall be reported as quickly as possible in confidence, as follows:

(A) **Employees and Volunteers.** Employees and volunteers are required to report any known or suspected incidents of sexual misconduct. They must also report to their supervisor or the Coordinator. If the person to whom an employee or volunteer is directed to report is the offending person, the report should be made to the next higher level of administration or supervision.

**ARTICLE XI – ANTI-BULLYING POLICY**

**11-11-1 APPLICATION OF POLICY.** The Village finds a safe work environment is beneficial for employees and promotes productivity. Workplace bullying has been linked to absenteeism, drug and alcohol use, and sexual violence. The Village considers workplace bullying unacceptable and will not tolerate it. The anti-bullying policy shall apply to all individuals who are employees, volunteers and contractors. For purposes of this policy:

- (A) **“Employee”** is defined as an individual working for the Village for remuneration;
- (B) **“Volunteer”** is defined as an individual who volunteers services to the Village without remuneration;
- (C) **“Contractor”** is defined as an individual who contracts with the Village to provide services, or an individual who works for a contractor of the Village.

**11-11-2 DEFINITION.** Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a person that has or can be reasonably predicted to have the effect of one or more of the following:

- (A) placing the person in reasonable fear of harm to the person or the person’s property;
- (B) causing a substantially detrimental effect on the person’s physical or mental health;
- (C) substantially interfering with the person’s productivity; or
- (D) substantially interfering with the person’s ability to participate in or benefit from the opportunities offered by the employer.

Bullying may be intentional or unintentional. The Village considers the following types of behavior illustrative examples of bullying: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

**11-11-3 BULLYING PROHIBITED.** Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, and any other distinguishing characteristic is prohibited in all places of employment, and an employer shall prevent bullying in its place of employment.

- (A) No person shall be subjected to bullying:
  - (1) during any period of employment activity;
  - (2) while working on property of the employer, or at employer-sponsored or employer-sanctioned events or activities; or
  - (3) through the transmission of information from an employment utilized telephone, computer, computer network, or other similar electronic employer-utilized equipment.
- (B) Nothing in this policy is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment of the United States Constitution.

**11-11-4 DISCIPLINARY ACTION.** Any employee or volunteer who is determined, after an investigation, to have engaged in bullying in violation of this policy shall be subject to disciplinary action up to and including immediate discharge. Any contractor found to be in violation of this policy may be subject to contract cancellation.

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Contractors are likewise prohibited from retaliating.

**11-11-5 REPORTING AND COMPLAINT PROCEDURE.** The Village encourages all employees, volunteers or contractors to promptly report any instance of bullying behavior. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of bullying. Therefore, while no fixed reporting period has been established, prompt reporting of complaints or concerns is encouraged so that rapid and constructive action can be taken. The Village shall make every effort to stop alleged workplace bullying before it becomes severe or pervasive but can only do so with the cooperation of its employees.

Reports of bullying will be treated seriously and investigated promptly and impartially. The Village further encourages all individuals to whom this policy applies to formally report any concerns of assault, battery, or other bullying behavior of a criminal nature to the Village Attorney's office. The Village Board requires any supervisor who witnesses bullying, irrespective of reporting relationship or his/her responsibility to address it, to promptly report this conduct to the Police Chief or the Mayor.

Individuals who believe they have experienced conduct that they believe violates this policy, or who have concerns about such matter, should report their complaints or concerns verbally or in writing to his or her supervisor, or the Village Attorney, before the conduct becomes severe or pervasive. If a verbal report is made, it shall be documented in writing by the official to whom it is reported. Individuals should not feel obligated to report their complaints to their immediate supervisor first before bringing the matter to the attention of one of the other designated Village representatives identified above.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to bullying conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that such behavior immediately stop.

## ARTICLE XII – DOMESTIC AND SEXUAL VIOLENCE POLICY

**11-12-1 PURPOSE OF POLICY.** Domestic violence can permeate the lives and compromise the safety of employees with tragic, destructive and often fatal results. Domestic violence occurs within a wide spectrum of relationships, including married and formerly married couples, couples with children in common, couples who live together or have lived together, gay, lesbian, bisexual and transgender couples, and couples who are dating or who have dated in the past. Domestic violence represents a pattern of coercive tactics which can include physical, psychological, sexual, economic and emotional abuse perpetrated by one person against another in an intimate relationship or in the same household, with the goal of establishing and maintaining power and control over the victim. In addition to exacting a tremendous toll from the individuals it directly affects, domestic violence often spills over into the workplace, compromising the safety of both victims and co-workers and resulting in lost productivity, increased health care costs, increased absenteeism, and increased employee turnover. The Village will take appropriate actions to promote safety in the workplace and respond effectively to the needs of victims of domestic violence.

**11-12-2 DEFINITION.** For purposes of this policy and pursuant to the Illinois Victims' Economic Security and Safety Act (VESSA), the following terms are defined as follows:

(A) **"Abuser":** A person who perpetrates a pattern of coercive tactics which can include physical, psychological, sexual, economic, and emotional abuse against an adult intimate partner, with the goal of establishing and maintaining power and control over the victim.

(B) **"Domestic Violence":** Domestic violence means abuse by a family or household member, as defined by this policy pursuant to Section 103 of the Illinois Domestic Violence Act of 1986. Domestic violence includes sexual assault or stalking.

(C) **"Employee":** A person working for the Village for remuneration for services.

(D) **"Family or Household Member":** For employees with a family or household member who is a victim of domestic or sexual violence, this means spouse, parent, son, daughter, other person related by blood or by present or prior marriage, another person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

(E) **"Parent"** means biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter as defined herein.

(F) **"Son or Daughter"** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is under **eighteen (18) years** of age or is **eighteen (18) years** of age or older and incapable of self-care because of a mental or physical disability.

**11-12-3 VICTIMS' ECONOMIC SECURITY AND SAFETY ACT (VESSA).** The person against whom an abuser directs coercive and/or violent acts, including an employee who is a victim of domestic or sexual violence, or an employee's family or household member who is a victim of domestic or sexual violence, and whose interests are not adverse to the employee as it related to domestic or sexual violence.

**11-12-4 POLICY.**

(A) **Employee Awareness.** The Village shall take reasonable actions to educate employees regarding the effects of domestic violence and methods to report such violence to authorities. It is the policy of the Village that information on domestic violence and available resources shall be available to employees through the Village Board and by this written policy, which shall be disseminated to employees.

(B) **Non-Discriminatory Policy.** Non-Discriminatory and Responsive Personnel Policies for Victimized Employees of the Village shall ensure that personnel policies and procedures do not discriminate against victims of domestic violence and are responsive to the needs of victims of domestic violence.

- (1) Illinois law prohibits employers from interfering with, restraining, or denying the exercise of any right provided under VESSA. This law requires employers, when given **forty-eight (48) hours** prior notification, to allow time off for employed victims of domestic or sexual violence and employees with a family or household member who is a victim of domestic or sexual violence, to take unpaid leave to seek medical help, legal assistance, counseling, safety planning, and other assistance without penalty from the employer for the employee or the family or household member who is a victim.
- (2) Illinois law prohibits employers from discriminating against any employee who is a victim of domestic or sexual violence or any employee who has a family or household member who is a victim of domestic or sexual violence.
- (3) An employee who is a victim of domestic or sexual violence, or has a family or household member who is a victim of domestic or sexual violence and whose interests are not adverse to the employee as it relates to domestic or sexual violence, may take unpaid leave from work to address domestic or sexual violence by:
  - (a) seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the victim;
  - (b) obtaining services from a victim services organization for the victim;
  - (c) obtaining psychological or other counseling for the victim;
  - (d) participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the victim;
  - (e) seeking legal assistance or remedies to ensure the health and safety of the victim, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.
- (4) The employee shall be entitled to a total of **twelve (12) workweeks** of leave during any **twelve (12) month** period. This policy does not create a right for an employee to take an unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to, the unpaid leave time permitted by the federal Family Medical Leave Act. Leave may be taken intermittently or on a reduced work schedule. An employee may substitute accumulated paid leave for unpaid leave; however, the paid leave will count toward the number of workweeks used for purposes of this policy. The employee shall provide at least **forty-eight (48) hours** advance notice of the employee's intention to take leave, unless providing such notice is not practicable. No action will be taken against an employee for failing to provide **forty-eight (48) hours** advance notice if the employee provides certification that leave was used for the purposes outlined in **Section 11-12-4(B)(2)** of this Section and can demonstrate that advance notice was not practicable.
- (5) During a leave taken pursuant to this policy, the Village shall maintain coverage under its group health plan for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such leave. If the employee fails to return from

leave, however, the Village may recover any premium costs it paid for such coverage if the reason for the employee not returning is other than the continuation, recurrence, or onset of domestic or sexual violence or circumstances beyond the control of the employee. Neither seniority nor leave benefits will accrue to the employee during unpaid leave.

- (6) The Village, upon request, will assist the employee in determining the best use of his/her attendance and leave benefits when an employee needs to be absent as a result of being a victim of domestic violence. If an employee requests time off to care for and/or assist a family or household member who has been a victim of domestic violence, the employee's supervisor or the Village Board (or their designee) will evaluate the employee's request for leave for eligibility under existing law and collective bargaining agreements applicable to the employee and the attendance rules.
- (7) The Village requires certification from an employee for leave under this policy. The employee shall certify that the leave is for one of the purposes enumerated in **Section 11-12-4(B)** of this Section. Certification shall be provided to the employer within a time period set by the employer.
- (8) The Village understands that victims of domestic violence may lack the required documentation or have difficulty obtaining the required certification to justify absences without compromising their safety. Therefore, the Mayor or his designee shall consult with the employee to identify what documentation she/he might have, or be able to obtain, that will not compromise his/her safety-related needs and will satisfactorily meet the documentation requirement of the employer.
- (9) All information provided to the employer pursuant to notification and certification requirements of this policy, and the purposes for which leave may be requested pursuant to this policy, shall be retained in strictest confidence by the employer, except to the extent that disclosure is requested or consented to in writing by the employee, or otherwise required by applicable federal or State law. Reported information shall be kept private to the greatest extent possible by Federal law, State law, and Village policy; however, information may have to be disclosed pursuant to a subpoena, Illinois Supreme Court Rules, a court of law, or where otherwise required by law. Where medical information is received by the Village from an employee who is the victim of domestic violence, such medical information shall be kept confidential.
- (10) Employees who are victims of domestic violence and who are legally separated from a covered spouse or civil-union partner, shall be allowed to make reasonable changes in benefits at any time during the calendar year, provided the change is requested within **thirty (30) days** of the separation and is in accordance with the Village policies, rules, and regulations.
- (11) The Village will not make inquiries about a job applicant's current or past domestic violence victimization, and employment decisions will not be based on any assumptions about or knowledge of such exposure.

(C) **Accountability for Employees Who are Abusers.** The Village will hold employees, individuals who volunteer services to the Village without remuneration (hereafter "volunteers"), and individuals who contract with the Village or work for contractors of the Village (hereafter "contractors"), accountable for engaging in the following behavior: (i) using Village resources to commit an act of domestic violence; (ii) committing an act of domestic violence from or at the workplace or from any other location while on official Village business; or (iii)

using their job-related authority and/or Village resources in order to negatively affect victims and/or assist perpetrators in locating a victim and/or in perpetrating an act of domestic violence.

Any physical assault or threat made by an employee, volunteer, or contractor, while on Village premises, during working hours, while representing the Village, or at a Village-sponsored event, is a serious violation of this policy. This policy applies not only to acts against employees, but to acts against all other persons. Those found to have violated this policy will be subject to corrective or disciplinary action, up to and including discharge.

- (1) In cases in which the Village has found that an employee, volunteer, or contractor, has threatened, harassed, or abused an intimate partner at the workplace using Village resources such as work time, workplace telephones, facsimile machines, mail, e-mail or other means, said employee shall be subject to corrective or disciplinary action.
- (2) In cases in which the Village has verification that an employee, volunteer, or contractor is responsible for a domestic violence-related offense, or is the subject of any order of protection, including temporary, final or out-of-state order, as a result of domestic violence, and said employee, volunteer or contractor has job functions that include the authority to take actions that directly impact victims of domestic violence and/or actions that may protect abusers from appropriate consequences for their behavior, the Mayor shall determine if corrective action is warranted.
- (3) In cases in which any employee, volunteer, or contractor intentionally uses his/her job-related authority and/or intentionally uses Village resources in order to negatively impact a victim of domestic violence, assist an abuser in locating a victim, assist an abuser in perpetrating acts of domestic violence, or protect an abuser from appropriate consequences for his/her behavior, said individual may be subject to corrective or disciplinary action.

ARTICLE XIII - RIGHTS OF EMPLOYEES

**11-13-1**        **PERSONNEL FILE.** Employees are allowed to look at their own personnel files during normal business hours. Persons wishing to view their own file shall file a written request with the Mayor or the Village Clerk. A copy of the request shall be placed in the employee's personnel file. Nothing should be placed in an employee's personnel file, nor shall anything be removed from the file without the consent of the Mayor and Village Board. Records of prior grievances and discipline action shall be maintained in the employee's personnel file. The final decision to remove items lies within the discretion of the Mayor and the Village Board.

**11-13-2**        **REFERENCES.** Employees or former employees have the right to obtain references or recommendations. Such references shall provide the applicable date of hire and the last date employed, and a general description of the applicable job duties. Additional comments concerning the employee or former employee's job performance dependabilities lies within the sound discretion of the Superintendent.

**11-13-3**        **SAFETY.** The Superintendent shall implement any safety procedures adopted by the Village, and employees shall comply with any of the safety procedures.  
All employees are directed to report any hazardous conditions to their superintendent immediately.  
Due to the open-office design of many department buildings, it is impossible to provide security for personal belongings left unattended. Employees are advised to keep their wallets, purses, etc. in their possession at all times. The Municipality cannot be responsible for losses due to theft.

**ARTICLE XIV - RIGHTS OF EMPLOYER**

**11-14-1**        **VILLAGE'S RIGHTS.** The employee recognizes that the Village possesses the exclusive right to operate and direct the employees of the Village in all aspects, including, but not limited to, all rights and authority granted by law.

The employee further recognizes that this Code is not a binding contract between the Village and the employee. Nothing contained in this Code shall be construed as creating an employment agreement between the Village and its employees from time to time.

**11-14-2**        **NEW REGULATIONS.** The Village has the right to unilaterally create new employment policies and regulations not mentioned in this Code, and to change provisions of this Code without approval or consent of the employees of the Village.

**11-14-3**        **MANAGEMENT RESPONSIBILITIES.** The employer has the ultimate responsibility for proper management including but not limited to responsibilities and the right for the following:

(B)            To hire all employees and to determine their qualifications and the conditions for their continued employment or their dismissal or demotion.

(C)            To direct, supervise, promote, suspend, discipline, terminate, assign and schedule employees.

(D)            To relieve employees from duties because of a lack of work or funds, or under conditions where continued work would be inefficient or nonproductive or under conditions as may be deemed necessary or advisable by the department.

(E)            To determine services to be rendered, operations to be performed, utilization of technology and budgetary matters.

(F)            To determine the methods, processes, means, job classifications and personnel by which the operations of the department are to be conducted.

It is recognized that the employer normally exercises most of the powers, rights, authorities, duties and responsibilities through and with the cooperation of the administrative staff.

**11-14-4**        **LENGTH OF SERVICE.** Length of service is defined as the length of continuous service of an employee since the employee's last date of hire with the Village within the employee's department. In the event an employee is transferred from or to another department of the Village, the employee's total continuous employment with the Village will be used as the basis for vacation and sick leave only.

An employee's continuous service record shall be broken by voluntary resignation or discharge. If such continuous service is broken due to curtailment of operation, said employee shall be considered on layoff.

**11-14-5**        **EXEMPTIONS TO LABOR AGREEMENTS.** All sections and subsections of this Code shall not apply to the employees governed by a collective bargaining agreement provided the subject matter in the Collective Bargaining Agreement sections are the same.

**11-15-2**        **VERBAL REPRIMAND.** A verbal reprimand informs an employee of unsatisfactory conduct, attitude or performance, and acknowledges that continued such actions will result in more severe disciplinary actions. The reprimand should be done in private and should be documented with the date and nature of the problem and placed in the employee's personnel file.

**11-15-3**        **WRITTEN REPRIMAND.** A written reprimand informs an employee of unsatisfactory conduct, attitude or performance. **11-15-9**      **POLITICAL ACTIVITIES.** No form of discipline can occur because of any employee's political activity or political beliefs. This prohibition on discipline does not apply to individuals in policy making or confidential positions or where an overriding interest or vital importance exists which requires that an employee's political beliefs and activities conform to those of the Superintendent or the Corporate Authorities.

The Village also recognizes that false accusations can have serious affects on innocent men and women. We trust that all employees will continue to act in a responsible and professional manner to establish a pleasant working environment free of discrimination.

## ARTICLE XVI - MISCELLANEOUS

**11-16-1 GRIEVANCE PROCEDURE.** The purpose of a grievance procedure is to establish and maintain harmonious and cooperative working relationships between the Village and its employees, to assure equitable treatment of employees, and to provide expeditious means of resolving employee dissatisfaction over circumstances or conditions of employment.

Strict adherence to the grievance procedures and time limits is mandatory, except that the time limits may be extended for good cause.

A grievance is defined as a dispute, disagreement, complaint, or any matter concerning any terms or conditions of employment, or concerning the application of any departmental policy, or concerning any employee relationship, or work-related issue.

As used in this Article, the term days shall mean working days of the employee filing the grievance.

At any step, if a written response is not provided to the grieving employee within the **ten (10) day** time frame, the grievance will be considered denied at that step, and the employee may proceed to the next step.

If any Superintendent is disciplined and/or discharged by the Mayor with the advice and consent of the Village Board, the discipline and/or discharge shall constitute the final resolution of the matter and there shall be no access in this instance to the various steps of the grievance procedure. The failure of a reappointment of a Superintendent by the Mayor shall not be interpreted to constitute discipline and/or discharge of an ongoing employment relationship with the Village.

Steps:

(A) A grieving employee shall within **five (5) days** after he learns of the circumstances or conditions which prompted the grievance, submit the grievance to the employee's Superintendent, in writing, informing such Superintendent of the grievance and the particulars concerning the same. The Superintendent shall provide a written response to the grieving employee within **ten (10) days** after receiving the grievance.

(B) If the grievance is not resolved to the employee's satisfaction, the employee may submit the grievance to the Mayor by summarizing the grievance in writing.

The grievance must be submitted to the Mayor within **five (5) days** of the decision of the Superintendent.

For all other employees, the grievance shall be before the Mayor.

**(See Appendix "C" for Disability Act Procedure.)**

**11-16-2 LAYOFFS.** In the event it becomes necessary to layoff employees for any reason, employees will be laid off based on the following criteria: Employee's knowledge, skills, and abilities in relation to positions available, lack of work, lack of funds, the employee's length of service, the employee's work record including commendations as well as disciplinary action, the employee's attitude and relations with other employees as well as other agencies and change in duties of the department. The employee shall receive **two (2) weeks'** notice.

**11-16-3 RESIGNATION.** Sick leave, vacation, and retirement fund benefits cease at midnight on the date of termination. Life and health insurance will cease at the end of the month of the termination. Employees may elect to continue participation in the plan on a self-pay basis as provided by federal statutes. The employee will be paid for each day of accrued and unused vacation time. Monies accumulated in the employee's retirement account may be refundable, according to IMRF Rules. Forms required to request this refund are available from the Village Clerk's office.

## ARTICLE XVII – DRUG/ALCOHOL TESTING POLICY AND PROCEDURE

**11-17-1 DRUG AND ALCOHOL-FREE WORKPLACE POLICY.** The Village is committed to maintaining a drug free workplace pursuant to the federal and state Drug Free Workplace Acts, 41 U.S.C.A. § 701 *et seq.*, 30 ILCS 580/1 *et seq.* It is the policy of the Village that the public has the reasonable right to expect persons employed by the Village to be free from the effects of alcohol and drugs. The Village, as the employer, has the right to expect its employees to report for work fit and able for duty. This policy is intended to ensure that Village employees are not impaired in their ability to perform assigned duties in a safe, healthy and productive manner and to protect any such employee and the public from the risks associated with the adverse effects of drugs and alcohol. Accordingly, the unlawful manufacture, distribution, possession, or use of a controlled substance, including cannabis and alcohol, is prohibited in the workplace or while acting on behalf of the Village. Employees are required to sign a release and consent/authorization form, a copy of which is included with this policy, at the time the policy is distributed to the employee.

**11-17-2 DEFINITIONS.** For purposes of this policy, the following definitions apply:

(A) **“Abuse of alcohol”** or **“being under the influence of alcohol”** means the consumption of any beverage, mixture or preparation, including any medication containing alcohol, which results in an employee being intoxicated. Intoxicated or a positive test for alcohol shall mean a test result which shows an alcohol concentration of .02 or more for all persons covered by Federal DOT regulations and .08 or more for all persons not covered by Federal DOT regulations.

(B) **“Abuse of any drug”** means the use of any illegal drug, the use of any prescription drug which has not been legally prescribed and dispensed, or the misuse of any legally prescribed drug.

(C) **“Drug”** means any controlled substances listed in the Federal Controlled Substances Act, 21 U.S.C. § 801 *et seq.*, or the Illinois Controlled Substances Act, 720 ILCS 570/100 *et seq.*, and cannabis as defined in the state Cannabis Controlled Act, 720 ILCS 550 *et seq.*

**11-17-3 PROHIBITED ACTIONS.** Employees shall be prohibited from:

(B) Manufacture, distribution, dispensation, possession, use, sale, purchase, being under the influence of or abuse of any drug at any time and at any place.

(C) Failure to immediately disclose to his or her Department Head or immediate supervisor any drug or other medication-related work restrictions, or failure to disclose the taking of any drug or medication whose container has warnings that such drug or medication may affect any such employee’s ability to perform his or her job, or to drive or operate machinery.

(D) Testing positive for any drug or for the abuse of alcohol or being under the influence of any drug and/or alcohol during working hours.

(E) Failure to comply with this policy.

(F) Refusal to submit to any drug or alcohol test under this policy, which shall also include, but not be limited to, any attempt to tamper with or substitute any sample to be used in connection with any such test.

**11-17-4 APPLICABILITY.** This Drug/Alcohol Testing Policy and Procedure is not intended to replace the Drug Free Workplace Programs but to define and clarify, who will be tested, when the employees will be tested and where employees will be tested. The following four employee categories define under which category each full time, part time/temporary and volunteer employee will be tested:

(A) Any employee who drives a Village vehicle, tractor, tractor mower or similar motor-powered equipment that moves under its own power will be tested under the Federal DOT testing standards.

(B) Testing for employees of the Police Department shall be controlled by the provisions set forth in their union contract.

(C) All other Village employees who are not included within the two categories listed above in (A) or (B) will be subject to testing to comply with the requirements necessary to establish a Drug Free Workplace within the Village.

(E) Part time/temporary employees and volunteer employees of the Village will remain exempt from pre-employment and random testing as defined in this testing program, but they can be included for testing if reasonable suspicion should arise, or an accident should occur during the tenure of their part time/temporary or volunteer employment. After reasonable suspicion of abuse of drugs or alcohol has been established or an accident should occur, the decision to request a drug and alcohol test for the employee must be deemed necessary and reasonable by the Mayor and/or the supervisor of the employee.

**11-17-5**      **TESTING PROCEDURE.** In conducting any drug testing under this policy, the Village shall:

(A) Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory and Blood Bank Act, **210 ILCS 25/101 *et seq.***, that has been or is capable of being accredited by the National Institute of Drug Abuse (“NIDA”).

(B) Ensure that the laboratory or facility selected conforms to all NIDA standards.

(C) Follow all Federal DOT guidelines for the collection, testing and reporting procedures.

(D) In conducting any alcohol testing under this policy, the Village shall use a facility that:

(1) Ensures that all technicians are trained, and equipment is calibrated.

(2) Conducts breath test to detect the presence of alcohol or blood tests if circumstances require.

(E) The fees for drug/alcohol testing shall be paid as follows:

(1) Pre-employment testing will be paid by the Village.

(2) Post accident tests shall be paid by the Village.

(3) Reasonable suspicion testing will be paid by the Village.

(4) Random testing will be paid by the Village.

(5) Retesting at the request of the employee after a positive drug or alcohol test shall be at the employee’s sole expense.

(6) Drug/Alcohol test for renewal of CDL Driver’s License shall be paid by the Village.

**11-17-6**      **SCREENING AND TESTING.**

(A) **Pre-Employment Testing.**

(1) All employee applicants shall be advised of the Village Drug/Alcohol testing requirements at the time of interview. After having successfully completed the interview process, the selected prospective full-time employee shall then be required to successfully complete the Village’s drug screening test, as part of his/her background investigation.

(2) All applicants for full time employment shall sign a release and consent/authorization form for Drug/Alcohol testing.

(3) An applicant will not be employed or considered for employment if:  
the test results confirm POSITIVE;  
he/she refuses to complete the test;  
he/she tampers with, or adulterates the specimen;

he/she fails to cooperate in the testing process (including executing all required documentation).

(B) **Testing Based on Reasonable Suspicion.** If there is a reasonable suspicion that any Village employee, paid or volunteer, has violated any of the prohibited actions covered by this policy, such employee may be required to undergo drug and/or alcohol testing. Reasonable suspicion exists if the facts and circumstances warrant a rational inference that an employee has violated any of the acts prohibited by this policy. Reasonable suspicion shall be based upon the following:

- (1) Observable phenomena, such as direct observation of use or the verifiable physical symptoms resulting from the abuse of drugs or being under the influence of alcohol which may include by way of example but is not limited to a pattern of abnormal conduct or erratic behavior, a dramatic decline in work performance, excessive sick leave usage, difficulty in walking, slurred speech, needle marks, glazed stare, and possession of alcohol, or unauthorized banned substance or drug paraphernalia at work.
- (2) Information provided by an identifiable, reliable and credible third party that an employee has committed any of the acts prohibited by this policy.

In the event reasonable suspicion exists, the Village shall arrange for a drug and/or alcohol test. When testing is ordered, the employee may be temporarily reassigned or relieved from duty and placed on leave with pay pending the receipt of the test results by the Village. The Village shall also provide the employee with written notice setting forth the objective facts and reasonable inferences to be drawn from those facts which form the basis of the reasonable suspicion.

The employee will then be escorted to the testing facility or collection facility by a designated supervisor immediately.

After completing the test, the employee will be escorted to his/her residence or at the option of his/her supervisor to another location to await the test results, and the employee shall be off work with pay pending the results of the tests. Under no circumstances shall the employee be allowed to leave the work site or the test site driving his/her own vehicle or a Village vehicle.

Employees who test positive for either drugs or alcohol will be subject to disciplinary action, up to and including termination.

(C) **Random Testing.** Random drug testing shall be conducted during working hours. Employees will be selected at random for a drug test by a random drawing/lottery. The testing times and dates are unannounced and are with unpredictable frequency throughout the year.

When testing is ordered, the employee will be directed to the testing facility or collection facility within a reasonable period of time.

After completing the test, the employee will return to work pending the results of the test.

Employees who test positive for drugs will be subject to disciplinary action, up to and including termination.

(D) **Post Accident Testing.** Post accident drug/alcohol testing is required immediately following any accident involving a Village employee, paid or volunteer, who operates Village equipment or operates a Village vehicle where an injury to a person has occurred or where damage to equipment, or property has occurred and that damage exceeds **One Hundred Dollars (\$100.00)**, based on actual cost or reliable estimates of damage.

When testing is ordered, the employee will be escorted to the testing facility or collection facility by a designated supervisor within a reasonable period of time following the accident.

Employees who test positive for either drugs or alcohol will be subject to disciplinary action, up to and including termination.

(E) **Testing Required for Position Required to Have a CDL.** In addition to the provisions of this policy, any employee who is appointed to a position required to have a commercial driver's license ("CDL") shall be subject to drug and/or alcohol screening following any work-related accident. Mandatory drug screening shall also be required of all applicants chosen to be hired for positions requiring a CDL. Those who fail the pre-employment drug screening shall not be hired for those positions.

**11-17-7**      **CONFIDENTIALITY OF TEST RESULTS.** Any employee subject to a drug and/or alcohol test under this policy will be provided a copy of all information and reports received by the Village in connection with any drug and/or alcohol test and any results thereof under this policy. Any results of drug and alcohol test will be disclosed to any employee tested, the applicable supervisor, Village Attorney and those permitted by law.

**11-17-8**      **CONSEQUENCES OF POSITIVE TEST RESULT OR REFUSAL TO COOPERATE.** Any employee who refuses to cooperate in testing or who fails a test or violates the Drug and Alcohol Policy shall be subject to disciplinary action, up to and including termination.
