It does not include any taxes imposed upon real property under the Property Tax Code or fees collected by the Village other than infrastructure maintenance fees.

(D) **Local Tax Administrator.** “Local Tax Administrator”, the Village’s Treasurer, is charged with the administration and collection of the locally imposed and administered taxes, including staff, employees or agents to the extent they are authorized by the local tax administrator to act in the local tax administrator’s stead. The local tax administrator shall have the authority to implement the terms of this Code to give full effect to this Code. The exercise of such authority by the local tax administrator shall not be inconsistent with this Code and the Act.

- (C) third to the penalty for the applicable period.

36-1-6 **CERTAIN CREDITS AND REFUNDS.**

(A) The Village shall not refund or credit any taxes voluntarily paid without written protest at the time of payment in the event that a locally imposed and administered tax is declared invalidly enacted or unconstitutional by a court of competent jurisdiction. However, a taxpayer shall not be deemed to have paid the tax voluntarily if the taxpayer lacked knowledge of the facts upon which to protest the taxes at the time of payment or if the taxpayer paid the taxes under duress.

(B) The statute of limitations on a claim for credit or refund shall be **four (4) years** or less after the end of the calendar year in which payment in error was made. The Village shall not grant a credit or refund of locally imposed and administered taxes, interest, or penalties to a person who has not paid the amounts directly to the Village.

(C) The procedure for claiming a credit or refund of locally imposed and administered taxes, interest or penalties paid in error shall be as follows:

- (1) The taxpayer shall submit to the local tax administrator in writing a claim for credit or refund together with a statement specifying:
 - (a) the name of the locally imposed and administered tax subject to the claim;

 - (e) a request for either a refund or a credit in connection with the claim to be applied to the amount of tax, interest and penalties overpaid, and as applicable, related interest on the amount overpaid; provided, however, that there shall be no refund and only a credit given in the event the taxpayer owes any monies to the Village.
- (2) Within **ten (10) days** of the receipt by the local tax administrator of any claim for a refund or credit, the local tax administrator shall either:
 - (a) grant the claim; or
 - (b) deny the claim, in whole or in part, together with a statement as to the reason for the denial or the partial grant and denial.
- (3) In the event the local tax administrator grants, in whole or in part, a claim for refund or credit, the amount of the grant for refund or credit shall bear interest at the rate of **one percent (1%)** per year in excess of the prime rate as announced from time to time in effect, based on a year of **three hundred sixty-five (365) days** and the number of days elapsed, from the date of the overpayment to the date of mailing of a refund check or the grant of a credit. Prime rate shall be defined as the highest prime rate of interest as quoted in the money rates section of the Wall Street Journal on the first business day of each calendar year.

36-1-7 **AUDIT PROCEDURE.** Any request for proposed audit pursuant to any local administered tax, shall comply with the notice requirements of this Code.

- (A) Each notice of audit shall contain the following information:
- (1) the tax;
 - (2) the time period of the audit; and
 - (3) a brief description of the books and records to be made available for the auditor.
- (B) Any audit shall be conducted during normal business hours and if the date and time selected by the local tax administrator is not agreeable to the taxpayer, another date and time may be requested by the taxpayer within **thirty (30) days** after the originally designated audit and during normal business hours.
- (C) The taxpayer may request an extension of time to have an audit conducted. The audit shall be conducted not less than **seven (7) days** nor more than **thirty (30) days** from the date the notice is given, unless the taxpayer and the local tax administrator agreed to some other convenient time. In the event taxpayer is unable to comply with the audit on the date in question, the taxpayer may request another date within the **thirty (30) days**, approved in writing, that is convenient to the taxpayer and the local tax administrator.
- (D) Every taxpayer shall keep accurate books and records of the taxpayer's business or activities, including original source documents and books of entry denoting the transactions which had given rise or may have given rise, or may have given rise, to any tax liability, exemption or deduction. All books shall be kept in the English Language and shall be subject to and available for inspection by the Village.
- (E) It is the duty and responsibility of every taxpayer to make available its books and records for inspection by the Village. If the taxpayer, or tax collector, fails to provide the documents necessary for audit within the time provided, the local tax administrator may issue a tax determination and assessment based on the tax administrator's determination of the best estimate of the taxpayer's tax liability.
- (F) If an audit determines there has been an overpayment of a locally imposed and administered tax as a result of the audit, written notice of the amount of overpayment shall be given to the taxpayer within **thirty (30) days** of the Village's determination of the amount of overpayment.
- (G) In the event a tax payment was submitted to the incorrect local governmental entity, the local tax administrator shall notify the local governmental entity imposing such tax.

36-1-8**APPEAL.**

- (A) The local tax administrator shall send written notice to a taxpayer upon the local tax administrator's issuance of a protestable notice of tax due, a bill, a claim denial, or a notice of claim reduction regarding any tax. The notice shall include the following information:

 - (3) the procedure for appealing the assessment; and
 - (4) the obligations of the Village during the audit, appeal, refund and collection process.
- (B) A taxpayer who receives written notice from the local tax administrator of a determination of tax due or assessment may file with the local tax administrator a written protest and petition for hearing, setting forth the basis of the taxpayer's request for a hearing. The written protest and petition for hearing must be filed with the local tax administrator within **forty-five (45) days** of receipt of the written notice of the tax determination and assessment.
- (C) If a timely written notice and petition for hearing is filed, the local tax administrator shall fix the time and place for hearing and shall give written notice to the taxpayer. The hearing shall be scheduled for a date within **fourteen (14) days** of receipt of the written protest and petition for hearing, unless the taxpayer requests a later date convenient to all parties.
- (D) If a written protest and petition for hearing is not filed within the **forty-five (45) day** period, the tax determination, audit or assessment shall become a final bill due and owing without further notice.

(E) Upon the showing of reasonable cause by the taxpayer and the full payment of the contested tax liability along with interest accrued as of the due date of the tax, the local tax administrator may reopen or extend the time for filing a written protest and petition for hearing. In no event shall the time for filing a written protest and petition for hearing be reopened or extended for more than **ninety (90) days** after the expiration of the **forty-five (45) day** period.

36-1-9 HEARING.

(A) Whenever a taxpayer or a tax collector has filed a timely written protest and petition for hearing under **Section 36-1-8**, the local tax administrator shall conduct a hearing regarding any appeal.

(B) No continuances shall be granted except in cases where a continuance is absolutely necessary to protect the rights of the taxpayer. Lack of preparation shall not be grounds for a continuance. Any continuance granted shall not exceed **fourteen (14) days**.

(C) At the hearing the local tax administrator shall make a written determination on the basis of the evidence presented at the hearing. The taxpayer or tax collector shall be provided with a copy of the written decision.

36-1-10 INTEREST AND PENALTIES. In the event a determination has been made that a tax is due and owing, through audit, assessment or other bill sent, the tax must be paid within the time frame otherwise indicated.

(A) **Interest.** The Village provides for the amount of interest to be assessed on a late payment, underpayment, or nonpayment of the tax, to be **one percent (1%)** per year in excess of the prime rate as announced from time to time in effect, based on a year of **three hundred sixty-five (365) days** and the number of days elapsed. Prime rate shall be defined as the highest prime rate of interest as quoted in the money rates section of the Wall Street Journal on the first business day of each calendar year.

(B) **Late Filing and Payment Penalties.** If a tax return is not filed within the time and manner provided by the controlling tax ordinance, a late filing penalty of **five percent (5%)** of the amount of tax required to be shown as due on a return shall be imposed; and a late payment penalty of **five percent (5%)** of the tax due shall be imposed. If no return is filed within the time or manner provided by the controlling tax ordinance and prior to the Village issuing a notice of tax delinquency or notice of tax liability, then a failure to file penalty shall be assessed equal to **twenty-five percent (25%)** of the total tax due for the applicable reporting period for which the return was required to be filed. A late filing or payment penalty shall not apply if a failure to file penalty is imposed by the controlling ordinance.

36-1-11 ABATEMENT. The local tax administrator shall have the authority to waive or abate any late filing penalty, late payment penalty or failure to file penalty if the local tax administrator shall determine reasonable cause exists for delay or failure to make a filing.

36-1-12 INSTALLMENT CONTRACTS. The Village may enter into an installment contract with the taxpayer for the payment of taxes under the controlling tax ordinance. The local tax administrator may not cancel any installment contract so entered unless the taxpayer fails to pay any amount due and owing. Upon written notice by the local tax administrator that the payment is **thirty (30) days** delinquent, the taxpayer shall have **fourteen (14) working days** to cure any delinquency. If the taxpayer fails to cure the delinquency within the **fourteen (14) day** period or fails to demonstrate good faith in restructuring the installment contract with the local administrator, the installment contract shall be canceled without further notice to the taxpayer.

36-1-13 STATUTE OF LIMITATIONS. The Village, through the local tax administrator, shall review all tax returns in a prompt and timely manner and inform taxpayers of any amounts due and owing. The taxpayer shall have **forty-five (45) days** after receiving notice of the reviewed tax returns to make any request for refund or provide any tax still due and owing.

(A) No determination of tax due and owing may be issued more than **four (4) years** maximum after the end of the calendar year for which the return for the applicable period was filed or for the calendar year in which the return for the applicable period was due, whichever occurs later.

(B) If any tax return is not filed, or, if during any **four (4) year** period for which a notice of tax determination or assessment may be issued by the Village, the tax paid was less than **seventy-five percent (75%)** of the tax due, the statute of limitations shall be **six (6) years** maximum after the end of the calendar year in which return for the applicable period was due or end of the calendar year in which the return for the applicable period was filed.

(C) No statute of limitations shall not apply if a fraudulent tax return was filed by the taxpayer.

36-1-14 VOLUNTARY DISCLOSURE. For any locally imposed and administered tax for which a taxpayer has not received a written notice of an audit, investigation, or assessment from the local tax administrator, a taxpayer is entitled to file an application with the local tax administrator for a voluntary disclosure of the tax due. A taxpayer filing a voluntary disclosure application must agree to pay the amount of tax due, along with interest of **one percent (1%)** per month, for all periods prior to the filing of the application but not more than **four (4) years** before the date of filing the application. A taxpayer filing a valid voluntary disclosure application may not be liable for any additional tax, interest, or penalty for any period before the date the application was filed. However, if the taxpayer incorrectly determined and underpaid the amount of tax due, the taxpayer is liable for the underpaid tax along with applicable interest on the underpaid tax, unless the underpayment was the result of fraud on the part of the taxpayer, in which case the application shall be deemed invalid and void. The payment of tax and interest must be made by no later than **ninety (90) days** after the filing of the voluntary disclosure application or the date agreed to by the local tax administrator. However, any additional amounts owed as a result of an underpayment of tax and interest previously paid under this Section must be paid within **ninety (90) days** after a final determination and the exhaustion of all appeals of the additional amount owed or the date agreed to by the local tax administrator, whichever is longer.

36-1-15 PUBLICATION OF TAX ORDINANCES. Any locally administered tax ordinance shall be published via normal or standard publishing requirements. The posting of a tax ordinance on the Internet shall satisfy the publication requirements. Copies of all tax ordinances shall be made available to the public upon request at the Village Clerk's office.

36-1-16 INTERNAL REVIEW PROCEDURE. The local tax administrator shall establish an internal review procedure regarding any liens filed against any taxpayers for unpaid taxes. Upon a determination by the local tax administrator that the lien is valid, the lien shall remain in full force and effect. If the lien is determined to be improper, the local tax administrator shall:

- (A) timely remove the lien at the Village's expense;
- (B) correct the taxpayer's credit record; and
- (C) correct any public disclosure of the improperly imposed lien.

ARTICLE III - SIMPLIFIED TELECOMMUNICATIONS TAX

36-3-1 **DEFINITIONS.** As used in this Article, the following terms shall have the following meanings:

(A) **"Amount Paid"** means the amount charged to the taxpayer's service address in such municipality regardless of where such amount is billed or paid.

(B) **"Department"** means the Illinois Department of Revenue.

(C) **"Gross Charge"** means the amount paid for the act or privilege of originating or receiving telecommunications in such a municipality and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of the materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel termination point within a municipality that has imposed a tax under this Article and charges for the portion of the inter-office channels provided within that municipality. Charges for that portion of the inter-office channel connecting **two (2)** or more channel termination points, one or more of which is located within the jurisdictional boundary of such municipality, shall be determined by the retailer by multiplying an amount equal to the total charge for the inter-office channel by a fraction, the numerator of which is the number of channel termination points that are located within the jurisdictional boundary of the municipality and the denominator of which is the total number of channel termination points connected by the inter-office channel. However, "gross charge" shall not include any of the following:

- (1) any amounts added to a purchaser's bill because of a charge made pursuant to:
 - (a) the tax imposed by this Section,
 - (b) the tax imposed by the Telecommunications Excise Tax Act,
 - (c) the tax imposed by Section 4251 of the Internal Revenue Code,
 - (d) 911 surcharges, or
 - (e) charges added to customers' bills pursuant to the provisions of Section 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in those provisions of the Public Utilities Act.
- (2) charges for a sent collect telecommunication received outside the Village.
- (3) charges for leased time on equipment or charges for the storage of data or information or subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment, or accounting equipment and also includes the usage of computers under a time-sharing agreement.
- (4) charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges.
- (5) charges to business enterprises certified as exempt under Section 9-222.1 of the Public Utilities Act to the extent of such exemption

and during the period of time specified by the Department of Commerce and Economic Opportunity.

- (6) charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax imposed under this Act has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service.
- (7) bad debts ("bad debt" means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectible, as determined under applicable federal income tax standards; if the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made).
- (8) charges paid by inserting coins in coin-operated telecommunications devices.
- (9) amounts paid by telecommunications retailers under the Telecommunications Infrastructure Maintenance Fee Act.
- (10) Charges for nontaxable services or telecommunications if:
 - (a) those charges are aggregated with other charges for telecommunications that are taxable,
 - (b) those charges are not separately stated on the customer bill or invoice, and
 - (c) the retailer can reasonably identify the nontaxable charges on the retailer's books and records kept in the regular course of business.

If the nontaxable charges cannot reasonably be identified, the gross charge from the sale of both taxable and nontaxable services or telecommunications billed on a combined basis shall be attributed to the taxable services or telecommunications. The burden of proving nontaxable charges shall be on the retailer of the telecommunications.

(D) **"Interstate Telecommunications"** means all telecommunications that either originate or terminate outside this State.

(E) **"Intrastate Telecommunications"** means all telecommunications that originate and terminate within this State.

(F) **"Person"** means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint venture, corporation, limited liability company, or a receiver, trustee, guardian, or other representative appointed by order of any court, the Federal and State governments, including State universities created by statute, or any city, town, county, or other political subdivision of this State.

(G) **"Purchase at Retail"** means the acquisition, consumption or use of telecommunications through a sale at retail.

(H) **"Retailer"** means and includes every person engaged in the business of making sales at retail as defined in this Section. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State. The permit may be revoked by the Department at its discretion.

(I) **“Retailer maintaining a place of business in this State”**, or any like term, means and includes any retailer having or maintaining within the State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(J) **“Sale at Retail”** means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration, to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(K) **“Service address”** means the location of telecommunications equipment from which telecommunications services are originated or at which telecommunications services are received by a taxpayer. In the event this may not be a defined location, as in the case of mobile phones, paging systems, and maritime systems, service address means the customer’s place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems and the like, “service address” shall mean the location of a taxpayer’s primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(L) **“Taxpayer”** means a person who individually or through his or her agents, employees, or permittees, engages in the act or privilege of originating or receiving telecommunications in a municipality and who incurs a tax liability as authorized by the Article.

(M) **“Telecommunications”**, in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll, and wide area telephone service, private line services, channel services, telegraph services, teletypewriter, computer exchange services, cellular mobile telecommunications service, specialized mobile radio, stationary two-way radio, paging service, or any other form of mobile and portable one-way or two-way communications, or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber optics, laser, microwave, radio, satellite, or similar facilities. As used in this Article, “private line” means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of “telecommunications” shall not include value added services in which computer processing applications are used to act on the form, content, code, and protocol of the information for purposes other than transmission. “Telecommunications” shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by such provider to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into, end-to-end telecommunications service shall be non-taxable as sales for resale. Prepaid telephone calling arrangements shall not be considered “telecommunications” subject to the tax imposed under this Act. For purposes of this Section, “prepaid telephone calling arrangements” means that term as defined in Section 2-27 of the Retailers’ Occupation Tax Act.

36-3-2 SIMPLIFIED MUNICIPAL TELECOMMUNICATIONS TAX IMPOSED. A tax is hereby imposed upon any and all of the following acts or privileges:

(A) The act or privilege of originating in the Village or receiving in the Village intrastate telecommunications by a person at a rate of **six percent (6%)** of the gross charge for such telecommunications purchased at retail from a retailer. To prevent actual multi-municipal taxation of the act or privilege that is subject to taxation under this subsection, any taxpayer, upon proof that the taxpayer has paid a tax in another municipality on that event, shall be allowed a credit against any tax enacted pursuant to or authorized by this Section to the extent

of the amount of the tax properly due and paid in the municipality that was not previously allowed as a credit against any other municipal tax.

(B) The act or privilege of originating in the Village or receiving in the Village interstate telecommunications by a person at a rate of **six percent (6%)** of the gross charge for such telecommunications purchased at retail from a retailer. To prevent actual multi-state or multi-municipal taxation of the act or privilege that is subject to taxation under this Section, any taxpayer, upon proof that the taxpayer has paid a tax in another state or municipality in this State on such event, shall be allowed a credit against any tax enacted pursuant to or authorized by this Section to the extent of the amount of such tax properly due and paid in such other state or such tax properly due and paid in a municipality in this State which was not previously allowed as a credit against any other state.

(C) The tax imposed by this Article is not imposed on such act or privilege to the extent such act or privilege may not, under the Constitution and statutes of the United States, be made the subject of taxation by the City.

36-3-3 COLLECTION OF TAX BY RETAILERS.

(A) The tax authorized by this Article shall be collected from the taxpayer by a retailer maintaining a place of business in this State and shall be remitted by such retailer to the Department. Any tax required to be collected pursuant to or as authorized by this Article and any such tax collected by such retailer and required to be remitted to the Department shall constitute a debt owed by the retailer to the State. Retailers shall collect the tax from the taxpayer by adding the tax to the gross charge for the act or privilege of originating or receiving telecommunications when sold for use, in the manner prescribed by the Department. The tax authorized by this Article shall constitute a debt of the taxpayer to the retailer until paid, and, if unpaid, is recoverable at law in the same manner as the original charge for such sale at retail. If the retailer fails to collect the tax from the taxpayer, then the taxpayer shall be required to pay the tax directly to the Department in the manner provided by the Department.

(B) Whenever possible, the tax authorized by this Article shall, when collected, be stated as a distinct item separate and apart from the gross charge for telecommunications.

36-3-4 RETURNS TO DEPARTMENT. Commencing on **February 1, 2003**, the tax imposed under this Article on telecommunication retailers shall be returned with appropriate forms and information as required by the Department pursuant to the Illinois Simplified Municipal Telecommunications Tax Act (Public Act 92-526, Section 5-50) and any accompanying rules and regulations created by the Department to implement this Act.

36-3-5 RESELLERS.

(A) If a person who originates or receives telecommunications claims to be a reseller of such telecommunications, such person shall apply to the Department for a resale number. Such applicant shall state facts which will show the Department why such applicant is not liable for the tax authorized by this Article on any of such purchases and shall furnish such additional information as the Department may reasonably require.

(B) Upon approval of the application, the Department shall assign a resale number to the applicant and shall certify such number to the applicant. The Department may cancel any number which is obtained through misrepresentation, or which is used to send or receive such telecommunications tax-free when such actions in fact are not for resale, or which no longer applies because of the person's having discontinued the making of resales.

(C) Except as provided hereinabove in this Section, the act or privilege of originating or receiving telecommunications in this State shall not be made tax-free on the ground of being a sale for resale unless the person has an active resale number from the Department and furnishes that number to the retailer in connection with certifying to the retailer that any sale to such person is non-taxable because of being a sale for resale.

ARTICLE IV – GAS TAX

36-4-1 TAX IMPOSED. A tax is imposed on all persons engaged in the following occupations or privileges:

(A) Persons engaged in the business of distributing, supplying, furnishing or selling gas for use or consumption within Village and not for resale, at the rate of **five percent (5%)** of the gross receipts therefrom.

36-4-2 EXCEPTIONS. None of the taxes authorized by this Article may be imposed with respect to any transaction in interstate commerce or otherwise to the extent to which such business may not, under the Constitution and Statutes of the United States, be made subject to taxation by this State or any political subdivision thereof; nor shall any person engaged in the business of distributing, supplying, furnishing or selling gas, be subject to taxation under the provisions of this Section for such transactions as are or may become subject to taxation under the provisions of this Section for such transactions as are or may become subject to taxation under the provisions of the **“Municipal Retailers' Occupation Tax Act” authorized by Chapter 65, Sec. 5/8-11-1, Illinois Compiled Statutes**, nor shall any tax authorized by this Section be imposed upon any person engaged in the business unless such tax is imposed in like manner and at the same rate upon all persons engaged in the business of the same class in the Municipality, whether privately or municipally owned or operated.

36-4-3 ADDITIONAL TAXES.
